#### Homework

Many parents had questions for teachers at three

way conferences about homework, so I have included the DET guidelines to schools on homework expectations at various year levels.

#### Prep - Grade 4

- will generally not exceed 30 minutes a day or be set on weekends or during holidays Grade 5 & 6
  - should include daily independent reading
  - may extend class work, projects and assignments, essays and research
  - will generally range from 30—45 mins per day

#### Leap into Learning

This is the fourth year of our exciting *Leap in* to *Learning* program where children who are enrolled in prep at Carlton PS for the coming year have a chance to experience school routines and to become familiar with our school setting. During this school readiness program teachers will also talk to parents about how they can help their children to settle well into school. Starting in a few weeks, the program will run for the rest of the year on Thursdays from 1pm-3pm & Fridays from 9am-11am. Please see Bec Harris if you would like more information.

#### Athletics Carnival

A reminder that we need lots of helpers and spectators at school tomorrow for our annual sports carnival.

#### **Parent Opinion Survey**

This week many of our families would have received letters asking them to complete an online survey about the school. I would ask you all to please find the time to complete the survey as your feedback is really valuable in helping us to continuously improve.

#### Welcome to 2/3 Rosie!

Rosie Parry who teaches dance across the junior grades is now also grade sharing in the 2/3 class with Anne. Rosie will be in the grade on Fridays.
