Monday June 11th

Queen's Birthday public holiday—no school

Wednesday June 20th

Three way conferences 2pm-7pm

Friday June 29th

Last day of Term two
2.15pm finish

Open Morning

Thank you to all of those family members and friends who visited the school earlier this week. I received great feedback about the wonderful learning spaces and engaged learners that we have here. I know that the children really enjoyed the opportunity to show you the variety of activities that they do every day at school.

Car park safety

Thanks also to parents who are supporting us in an important safety issue by making sure that their children are using the Drummond St pedestrian path and not walking through the car park at the beginning or the end of the school day.

Dress for the weather

With the sudden onset of rain and cold winds in recent weeks, it is time to remind everyone that children need to dress appropriately for the weather. Over the colder months children will still go outside at break times unless it is raining so need to wear warm coats each day. During these months there are always more illnesses around. Thanks to those parents who let the office know and keep children at home when they are unwell.

Hot Chocolate Club

Congratulations to the following children who have joined me at Hot Chocolate Club in recent weeks. They came for showing self-regulation, bravery, persistence and the other behaviours that we know support good learning. Princes learning area - Tayeb & Amina Drummond learning area - Abdalla & Sumaya Rathdowne learning area - Ali Y & Jason

A reminder that there is no school for students on Friday June 1st. This pupil free day is the second of four pupil free days for the year and teachers will be working on end of semester reports.

Regards

Julie Large

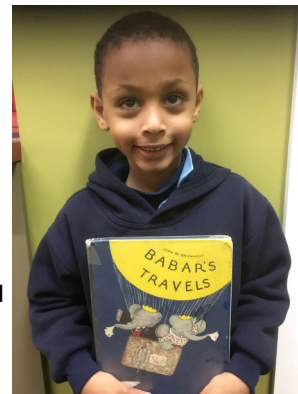

Name: Bilal

**Grade: P/1
Princes**

**Book: Barbar's
Travels by Jean
De Brunhoff**

**Why should
other people read
this book?**

The elephants went on a hot air balloon and they saw lots of things. They saw a car, a village, trees and boats and some houses. In the book I can see a herd of elephants and rhinos and a doctor. Some of the elephants got hurt and the doctor is putting a bandage on their leg.

What's happening with the learning precinct redevelopment?

- ◆ There are now more thirty workers on site each day!
- ◆ The new building along Palmerston street is progressing well with the concrete floor poured earlier this week
- ◆ Footings for the Covered Outdoor Learning Area (COLA) have been poured
