Information session on the school redevelopment

Parents are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times

# **Interschool Sport**

Congratulations to our grade 4, 5 & 6 students who have participated in soccer in the Semester one interschool sport series against local schools. Over the course of the series we saw growing understanding in students of the importance of working as a team and improved skill development in all players. A number of times throughout the season, teachers from other schools commented on the respect and sporting attitude that our students displayed. Well done everyone!

# Wear What You Want Day

On Monday we held our annual free dress day to raise money for charity. Lots of children came dressed in costumes, in new Eid clothes or in casual clothes. The charity chosen by the students this year was Plan International Australia.

This organisation works to empower children and young people in developing countries through providing food, sanitation and education. One hundred and thirty four dollars was raised by our school community on Monday.

Congratulations, a great community effort!

## Hot Chocolate Club

Congratulations to the following children who have joined me at Hot Chocolate Club in recent weeks. They came for showing self-regulation, bravery, persistence and the other behaviours that we know support good learning. Princes learning area -Kemmy & Braydon, Drummond learning area - Nidhi & Misk, Rathdowne learning area -Riley & Khubayb

A reminder that school will finish at 2.15pm on the last day of term—Friday June 29th.

# A big thankyou to everyone

While we are all very excited about the beautiful new school that is being built for us, there is no denying that working and learning in a school when there is building all around us has its challenges! At this half way point of the year I want to take the opportunity to thank both the staff and students for their patience, flexibility and resilience in relation to the demands that the building work is putting on all of us. I am hopeful that as the building is heading towards the internal works stage that there will be a reduction in the amount of disruptive noise. To say "thankyou" to all of the students, we will be having a special movie screening on the last day of term!

## Looking after our school

We know that the school grounds get used by people on weekends and at holiday times when they play on the playground equipment and oval. This is fine, as long as people using our grounds are also leaving them in a clean and tidy state and not littering or damaging property. I would really appreciate it if members of our school community can help us look after the school by "keeping an eye" on things over the holiday period. If you see anything of concern around the school eg. Anyone in the building site out of hours, people damaging property or engaging in illegal behaviour, please notify the police on "000". Your support with this would be very much appreciated!

School will finish at 2.15pm on Friday June 29th. I hope that everyone has a safe and relaxing holiday and I look forward to seeing all children back at school at 9am on Monday July 16th.
