Prep 2019 enrolments

Thank you to those families who have completed enrolment forms for next year. If you have a child who turns five before the 30th of April 2019, please come to the office and complete an enrolment form as soon as possible. Enrolment forms can also be downloaded from the school website at carltonprimarieschool.vic.gov.au

Parent Opinion Survey

Thanks also to those families who have already completed their surveys. Your thoughts are very important to us and I would encourage all families that received an online survey to fill it in. The survey is open for one more week. It is completed online and can be accessed at any convenient time on desktop computers, laptops, tablets or smartphones. It should only takes 10-15 minutes

Upstairs classrooms

Staff had a tour of our refurbished upstairs classrooms last week and are very excited about how they are looking! We can't wait for the move upstairs later in the year. Over the next few weeks teachers will be visiting other Melbourne schools with flexible learning spaces. They will talk to teachers and bringing back ideas about furniture and the use of spaces to support learning. They then will share their findings at our curriculum day in early September.

Hot Chocolate Club

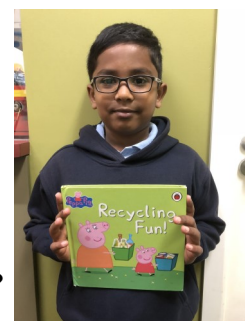

Congratulations to the following children who have joined me at Hot Chocolate Club in recent weeks. They came for showing self-regulation, bravery, persistence and the other behaviours that we know support good learning.

Leap into Learning

It was great to see so many excited little faces arriving for the first day of our school readiness program earlier this week. The program will run for the rest of the year on Tuesday and Wednesday mornings from 9am-11am. There are still places available for children who are enrolled to start prep at Carlton PS in 2019. Please see Sally if you would like more information.

Book Title:
Recycling Fun

Why should other people read this book?

This is a Peppa Pig book. Peppa's father and mother and brother put things in the dustbin. Peppa says "We don't put bottles in the dustbin, we can recycle them"

What's happening with the learning precinct redevelopment?

- ◆ The huge COLA (covered outdoor learning area) frame went up over the course of last week
- ◆ Next week part of Palmerston Street will be blocked off for the machine that rolls out the COLA roof
- ◆ The upstairs windows are almost complete
- ◆ Large dividing doors between learning areas on level two have been installed

Carltons Got Talent

Students, teachers and families are starting to get very excited our the annual **Carlton's Got Talent** performance! Well done to all the students who made it through to the final stage. This year the staff have been really impressed by how much time and effort students have put into their performances.

The show will be on **Friday August 31st at La Mamma Courthouse Theatre (Drummond street) at 12:00**. We hope to see lots of families there cheering and supporting the very talented and brave performers!

Thanks

Lilly
