Carlton Primary School Newsletter

Carlton Primary School is a partner in the Carlton Learning Precinct
Supporting children and their families to succeed in life

We acknowledge Traditional Owners of Country and recognise their continuing connection to land, waters & community and pay our respects to Elders past, present and emerging.

Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

Our new playground is finished!

It's been an exciting week with the opening of our new playground. We have a new oval, bush classroom and lots of nature play areas to explore and enjoy! We still have more than 500 indigenous plants which will be planted over the coming school holiday break when the weather is a bit cooler. Why not ask your children to give you a guided tour of our new outdoor spaces before or after school one day soon?

School Council Nominations

Congratulations and thank you to Kerima Abdulkarim (mother of Ikhlas, Muath & Abdalla) who has nominated for School Council.

Kerima will join me, Winter Dunstone, Khadra Omar our co opted member, and existing parent nominees, Ismahan Omar (Shaimaa) and Cristina Stevanovic (Kaidyn & Joel) in making up our school council for 2020. We are still looking for one more parent/carer to make up our fourth parent representative. Please see me if you are interested.

It is only through the generous offering of time by family members, school staff, and community members, that the school council can perform the important job that it does in supporting the effective running of our school. I would like to thank all of the above mentioned people on behalf of the whole school community.

Important notices

Jane has asked me to remind parents/carers to check their children's bags each afternoon for school notices. Financial statements were sent home last week. Thank you to those families who have already come to the office and paid.

Hot Chocolate Club

Congratulations to the following children who have joined me at Hot Chocolate Club in recent weeks. They came for showing self-regulation, bravery, persistence and the other behaviours that we know support good learning.

Rathdowne 1 learning area—1/2 - Raheema & Mohamed Amin

Rathdowne 2 learning area—3/4 - Taiki

Princes 2 learning area - 5/6 Ismail & Lujane

On the back of this newsletter I have included information about talking to your children about climate change.

I did this puzzle with Jacinta. It has lots of
 dogs. I like the German Shepherd better.
 I have a dog at home, his name is Cody.
 I have to give him food and water and we take
 him downstairs for walks too.
