Last day of term for students

Friday June 24th

Teacher Professional Practice day— No students at school

We acknowledge Traditional Owners of Country and recognise their continuing connection to land, waters & community and pay our respects to Elders past, present and emerging.

Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

Open Morning for Education Week

A really big thank you to those parents, carers and interested others, who came to our open morning on May 26th. Our grade 6 school leaders enjoyed the opportunity to take visitors around the building and grounds and to answer questions about our school. We had lots of great feedback, including this which was posted on Seesaw. *The year 6 students that led the tour were intelligent, kind and very proud of their school. Hats off to the school community for guiding the development of these young people.*

Sharing your children's learning

I have just finished reading reports and want to thank teachers for the considerable work that has gone into them. Reports are on track to be ready for families by the end of this week, in time for student led conferences the following week. Later this week, all families will receive meeting times for one of these two afternoons to come to school with your children and meet with one of their teachers. Your children will share their learning, you can ask questions and we will talk to you about future learning goals for semester two. Tuesday June 14th & Wednesday June 15th will be regular school days for children. As I mentioned in the last newsletter, at our recent school review, a number of parents said that they want to better understand the reporting process. On Friday, June 10th at 2.30pm, we will run a parent information session about reports. Please come along if you are interested. It will be in the assembly space on level one.

Food Available

There are still some non-perishable food supplies available in our foyer. Bring some bags and feel free to take whatever your family needs.

Reconciliation Week

Reconciliation week is a time for all Australians to learn more about indigenous history, culture and achievements. Here at CPS, every week is reconciliation week, as we grow our collective knowledge and understanding of indigenous perspectives. This year, along with other learning precinct partners, we supported Wear it Yellow day, a fundraiser for Children's Ground an organisation that supports learning and wellbeing for indigenous kids. Thank you to everyone who participated, we raised over \$100!

Please keep doing those RAT's!

We are still receiving notifications about a number of Covid cases in our community each week.

Warm regards,

Julie Large
