### Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

### Queenscliff Camp

Fifteen grade five students and two staff, had a fabulous four days at Cottage by the Sea at Queenscliff last week. By all accounts the highlights were the food and boogie boarding! We are hopeful of repeating this camp for our older students again in 2023. A big thank you to Cam and Nora for attending.

*This was the best camp that I've ever been on. There were so many activities, beach walks, night walks, swimming & boogie boarding. We went to the Marine Discovery Centre. There was a touch pool and we saw the seahorses being fed! We saw a few different lighthouses too. Fun fact: the lighthouse globe is pretty small but VERY powerful. I'd love to get an opportunity to go back another time.*

### Hot Chocolate Club

Every Friday a small group of students are chosen by their teachers for doing great work in class and they share their learning with me in while we enjoy morning tea together.

Congratulations to the following children who joined me at Hot Chocolate Club last week.

Maryan — Grade 6  
Lisa — Grade 4  
Rayan — Grade 2  
Ramla—Prep  
Iklas—Prep

### Parent Opinion Survey

Thankyou to those parents and carers who have already done this survey. It is open for a few more weeks and details are on Seesaw.

The Parent Opinion Survey is an annual survey offered by The Department of Education. It provides important information to schools. All responses to the survey are confidential. The survey is online, takes about 15 minutes and can be accessed on computers, laptops, tablets or smartphones. Survey translations are available in a range of languages other than English. These include: Arabic, Turkish, Hindi, Vietnamese, Mandarin, Japanese, Somali and Punjabi.

### Leap into Learning

Our prep readiness program, Leap into Learning started last week for all children enrolled in Prep for 2023. The program provides an opportunity for children to experience school routines and become familiar with our school setting. It will run weekly on Thursdays and Fridays from 9am-10.30 with two different groups of children each day, and will be in our developmental play space on level one. The program will run until October 27<sup>th</sup> & 28<sup>th</sup>. If you have a child starting school next year but haven't yet enrolled them, please come to the office this week so that they can be part of the program.

Warm regards,
