Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

Visit by Sir Kevan Collins

This week we have had the pleasure and the privilege of hosting world leading educational researcher and thinker, Sir Kevan Collins at Carlton Learning Precinct. The visit was organised by Ourplace. Kevan spent the morning with staff from all areas of the Learning Precinct, visiting the ELC and school and answering our questions about how we can continue to improve our shared work. We are particularly interested in further engaging parents /carers in their children's learning and making the transition from kindergarten to prep, as seamless as possible for children. Kevan was very impressed with the work being undertaken here and shared this the following day at a conference for principals and ELC leaders from the ten Ourplace schools across Victoria.

Carlton's Got talent

We have so many talented kids here at Carlton PS and our annual talent showcase is now an important and popular event on our calendar! Even during remote learning, we were able to continue this tradition in an online format. We are very happy to be able to have CGT in person again this year. We invite you to come along to the show this Friday at 12.30pm.

Lost Property

Our lost property racks are full of CPS hoodies, jackets and other assorted clothing. If your child has lost any clothing, please come up to the foyer on level one and take what is yours. A reminder too that writing names on clothing makes it much easier to return lost items to their owner.
