**We acknowledge Traditional Owners of Country and recognise their continuing connection to land, waters & community and pay our respects to Elders past, present and emerging.**

## Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

## Welcome to term two

It was really great seeing everyone back at school last Wednesday for what we hope will be a really productive term here at Carlton Primary. Please take time to look through the dates down the left hand side of this newsletter and add them to your diary. You will see that we have lots on!

## Kiwanis Visit

Kiwanis International is an organization made up of volunteers who "Work to improve the world one child and one community at a time". They have a long association with Carlton Primary School and visit the school at the end of each term to present awards to selected students.

Congratulations to Maryam, Barwaqo and Khalil who were chosen as the term one recipients for displaying the value of effort in their learning.

## Hot Chocolate Club

Hot Chocolate Club happens at lunchtime every Friday. Students are chosen by their teachers for doing great work in class and they are given the opportunity of sharing their learning with me in an informal setting where we enjoy morning tea together.

Congratulations to the following children who joined me at Hot Chocolate Club last week.

- Yahya - 5/6
- Ana— Grade 4/5
- Yunis & Aisha — Grade 2/3
- Yerufael & Risa— Prep/1

## Volunteers Needed

Now that lockdowns are well and truly behind us we would love to have parent/carer volunteers back at school!

We are looking for two adults to help with unpacking the Foodbank delivery every Monday before assembly at 2:45, and then putting away any food items not taken. If this is something that you could help with, please speak to Lilly.

## Hidden treasures!

There has been much excitement at the digging pit this week as all manner of surprises have been uncovered. This blue gem found by Raqiya and was just one of many priceless finds.

Warm Regards,

Julie Large

At the end of the 2022 school year, we had the inaugural students versus staff basketball match. The students team were drawn from our 4,5,6 classes with interested participants nominating and having the opportunity of being randomly selected to play. Students won that game by a very narrow margin.

It was decided that we would end each term with a game.

Term ones match proved to be another cliff hanger with a final score of 12-10 to the teachers.! It was heaps of fun with lots of support from a **very** vocal crowd!

We look forward to our end of term two game to see which team can take the lead, 2—1.
