**We acknowledge Traditional Owners of Country and recognise their continuing connection to land, waters & community and pay our respects to Elders past, present and emerging.**

## Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

## Carlton Primary: A kind and inclusive school

As a school community, we believe that every person should be treated with respect, kindness, and acceptance. We have zero tolerance for bullying, harassment and discrimination of any kind at our school. We are committed to promoting and celebrating the uniqueness of each individual, regardless of their background or identity. This includes the LGBTIQ+ community. While the Department of Education and the law mandate that schools must provide a safe and inclusive environment for all, we believe that the reasons for being inclusive go beyond legal requirements. It is about creating a sense of belonging for everyone and ensuring that no one feels isolated or excluded. Our goal is to foster a school environment where all members of our school community, staff and students, can thrive, regardless of the way that they identify, their background, culture or religious beliefs. This is why we've made a conscious effort to create a welcoming and supportive environment here at Carlton PS and we will keep working at maintaining this going forward.

Parents and carers can create a positive environment for learning and work by treating all school staff, students, and other members of the school community with respect. We believe that it's important to teach our students about acceptance, respect, and inclusivity. By doing so, we are not only creating a safe and supportive environment now but also for their future.

At our school, we are proud of our commitment to developing and maintaining this inclusive environment, and we encourage all members of our school community to support us with this. Indeed our school values are:- Achievement, Respect, Relationships and Diversity. When we come together and celebrate our differences, we can create a stronger community that supports everyone.

## Hot Chocolate Club

Hot Chocolate Club happens at lunchtime every Friday. Students are chosen by their teachers for doing great work in class and they are given the opportunity of sharing their learning with me in an informal setting where we enjoy morning tea together.

Congratulations to the following children who joined me at Hot Chocolate Club last week.

- Hanad—5/6
- Asiya—4/5
- Aaliya — Grade 2/3
- Milena - 1/2
- Noah & Juan Martin — Prep/1

## Enrol Now for 2024

Although we are just approaching the middle of the year, we are already planning for next year! Children who turn five years old before April 30th 2024 are able to be enrolled to start school next year. Thank you to those families who have already filled out enrolment forms. If you are yet to do so, but have a child the right age to start prep next year, please come to the office this week to get a form.

As we head into the final two weeks of term, I want to take this opportunity to thank all of our students for a great first semester of learning. Reports will go home later this week and on Friday, we hope many of you will come along to the parent /carer reporting and assessment session that Lauren is running at 9am.

Student led conferences, where your children will share their semester two goals with you, are planned for early next term.

A reminder that school finishes for term two on Friday June 23rd at 2.15pm and the new term starts again on Monday July 10th.

Warm regards,  
Julie Large  
Principal
