Carlton's Got talent

We have so many talented kids here at Carlton PS and our annual talent show is now an important and popular event in our calendar! Even during remote learning, we were able to continue this tradition in an online format. We are very happy to be able to have CGT in person again this year. We invite you to come along to the show this Friday at 12.30.

Leap into Learning

Last Friday we had our first *Leap into Learning*, school readiness program, with lots of excited children and their parents or carers attending. The program runs from 9-10 am every Friday morning, during term time, until October 20th. There are activities for children and information sessions for their grown ups.

To be eligible to attend *Leap into Learning* you must be enrolled for prep in 2024. If you have children who turn five by April 30th next year and haven't yet enrolled them for school, please come to the office and see Jane. They will then be able to join into our *Leap into Learning* sessions.

KIWANIS Terrific Kids

Congratulations to Uwais, James and Fraoli who were this terms "Terrific Kids" award recipients. This term our focus was respect and these three show that every day. Congratulations!

Hot Chocolate Club

Hot Chocolate club happens at lunchtime each Friday. Students are chosen by their teachers for doing great work in their class and they are given the opportunity of sharing their learning with me and their peers while we share morning tea together.

Congratulations to the following students who have joined me in recent weeks.

- Adem—Prep/1
- Mustafa—Prep/1
- Mazin—Grade 2
- Abdulahi—Grade 3
- Haysem—Grade 4
- Tyler—Grade 6

Bob the lost bird

Bob is a baby Noisy Miner who was found by me and Ayla. Bob was sad because they were separated from their family because of the big winds.

We took Bob inside and put them in a warm, cosy space where they rested and had a drink of water. Bob licked the dried mealworms but didn't like the dried mealworms. We knew Bob was ready to go back to their family because they started to get noisy "eep eep!"

We took Bob out to the school garden and their parents flew down to sit next to them and they all looked so happy.

When you see noisy miners (swoopy birds) don't tease them or try to make them swoop. They are just trying to protect their families. Give them space. They won't swoop you if you leave them and their babies alone.
