Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

IDAHOBIT Day

As part of our ongoing acknowledgement and celebration of important dates with our wider community, on May 17th we look to acknowledge international day against LGBTIQ+ discrimination. We recognise that LGBTIQ+ people and children are within all communities and cultures, including our school. Data shows that 2 out of 3 LGBTIQ+ youth experience discrimination due to their identity. We also know that 35% of LGBTIQ+ people have experienced verbal abuse in the last 12 months.

At Carlton Primary School and across the Learning Precinct, we embody **kindness and respect for all**. It is important for all students and staff to feel included and have a supportive learning and working environment. Schools are places where many diverse people come together. We have people with different religious beliefs, different cultural backgrounds and different sexual and gender identities. Here at CPS we know that when members of our school and community understand and respect one another, that everybody benefits. Part of learning for students is to see and appreciate the diversity that exists in their classroom, their school, and the wider community. While IDAHOBIT is just one day, we promote religious, cultural and LGBTIQ+ inclusion all year-round. Our values at Carlton Primary School include respect and diversity. We pride ourselves on being a school where every person can be free to be who they are, and to feel safe, supported and respected.

Hot Chocolate Club

Hot Chocolate Club happens at lunchtime every Friday. Students are chosen by their teachers for doing great work in class and they are given the opportunity of sharing their learning with me in an informal setting where we enjoy morning tea together.

Congratulations to the following children who joined me at Hot Chocolate Club in recent weeks.
