King's Birthday—
Public holiday

Tuesday June 11th

School Council Meeting—
3.30pm

We acknowledge Traditional Owners of Country and recognise their continuing connection to land, waters & community and pay our respects to Elders past, present and emerging.

Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

Student Council

Towards the end of term 1 we ran an election for the student council. Candidates put themselves forward and had to make a speech in front of their classes. We were so pleased to see that there was a huge number of candidates this year (about twenty per learning area). From there, students voted for who they thought would best represent them. This year's council members are; Ramla, Reggie, Ekram and Marzin from grade 2/3. Asiya, Sihaam, Bilal A, Bilal K and Aaliyah from grade 4/5/6. Congratulations to all of these representatives.

School council students listen to fellow students' ideas and concerns and share them with teachers and school leaders. They make sure everyone's voice is heard and help communicate problems, and come up with solutions. They can organise fun events like; Wear What You Want Day and Lunch Clubs. They also help plan activities and new initiatives like; using the canteen and fundraising. We are so looking forward to an exciting year ahead with our new council.

Congratulations also to our term one KIWANIS recipients, Bilal K, Nohamin & Shoug. They were chosen for consistently showing one of our "3B's" - Being Safe.

Voluntary contributions

Thank you to those families who have already been to the office to pay their annual voluntary contributions of \$220 per child. We aim to keep costs for parents/carers as low as possible and our levy is considerably lower than that requested at other local primary schools. A letter itemising what these fees are spent on by the school was sent to all families last term. Payment can be either cash or by EFTPOS.

Staff changes Term two

Welcome to Kirsty Doig, who joined the teaching team in the prep area at the start of this term. Kirsty comes with experience working in the UK in inner city London schools. Families with children in the P/1 learning areas have received detailed information about changed arrangements this term, as increased enrolments in that part of the school resulted in the decision to create a new grade. Children have transitioned to these new arrangements really smoothly.

Regards,

Julie Large
