Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

Staying well this winter

We are really keen to keep everyone in our school community well over this coming Winter.

We encourage parents, carers and students to practice prevention measures, including:

- washing and sanitising hands regularly
- avoiding touching eyes, nose and mouth with unwashed hands
- covering nose and mouth when coughing or sneezing
- staying home if unwell and seeing a doctor (GP) or Nurse-on-call as required
- staying up to date with flu and COVID-19 vaccinations.

COVID-19 booster

The 2024 COVID-19 booster dose is available for everyone aged 18 and above.

Getting your booster dose remains the best way to prevent severe illness or hospitalisation, especially in people aged over 65 and those at higher risk of severe illness.

Children aged between 5 and 17 years who are at risk of severe illness can also receive a 2024 booster dose.

Symptoms of influenza (flu) can also hit very quickly and may last several weeks. Vaccination is the best way to protect yourself and others from getting the flu.

Hot Chocolate Club

Hot Chocolate Club happens at lunchtime every Friday. Students are chosen by their teachers for doing great work in class and they are given the opportunity of sharing their learning with me in an informal setting where we enjoy morning tea together.

Congratulations to the following children who joined me at Hot Chocolate Club in recent weeks.

Increase in uniform prices

We run our uniform shop internally so we can keep our prices as low as possible for our families. The cost of our uniform is considerably cheaper than other government schools. Our suppliers have just raised their prices, and School Council has approved a small price increase so that we can continue to cover our costs. The new prices are:

Item	Price

Hoodie	\$34 (S-XL \$42)
Jacket	\$38

Some families may be wondering why we fly the rainbow flag in our foyer and in learning areas.

Embracing diversity and inclusion is an important way that the Department of Education and our school creates safe and respectful environments for all and prepares students to thrive in a global society.

The Pride flag is a visual representation of our school's commitment to being a safe and welcoming space for lesbian, gay, bisexual, trans and gender diverse, intersex, queer, questioning and asexual (LGBTIQA+) students, staff and other members of the school community, including their allies. The flag sends a strong message of inclusion by raising awareness, and breaking down stereotypes and misconceptions.

Displaying the Pride flag and other symbols of LGBTIQA+ inclusion helps us create an environment where all children, young people and staff feel safe and welcome. Displaying the Pride flag is consistent with Child Safe Standards (Standard 5) and with our commitment to equal opportunity and anti-discrimination laws.

We look forward to continuing to work in partnership with all of our families to support everyone to be safe and to thrive at our school.

Regards,

Julie Large

Principal
