### Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

### Dress for the weather

It's good to see children rugged up and dressed for this cold weather. We go outside for specialist lessons and at break times every day throughout the year.

So, as Winter really sets in please make sure that your children bring a warm jacket every day. There are many school hoodies and jackets in lost property. Have a look in the foyer on level one if your children are missing any items of clothing.

### Student Safety

We have had some worrying moments in recent weeks when parents have taken home other people's children thinking this would be helpful. Please do not do this unless the other parent has asked you to and also notified the school in advance. Thank you for your support with this.

### Wedding bells at Carlton PS!

We have two staff who are getting married in the coming month. Meg, our grade 4/5 teacher is having her wedding in her home country of Ireland. Chloe, one of our prep teachers, is getting married in Italy. Congratulations to Chloe & Tom and Meg & James, we wish you all the very best and look forward to seeing the photos when you return to school next term!

### Wednesday June 26th—9am

Lauren will again this year be facilitating a session for parents & carers about understanding student reports. Please contact school if you are able to attend this session and require an interpreter.

### Food Available

There is always non-perishable food available in our foyer. Bring some bags and feel free to take what ever your family needs.

### Hot Chocolate Club

Hot Chocolate Club happens at lunchtime every Friday. Students are chosen by their teachers for doing great work in class and they are given the opportunity of sharing their learning with me in an informal setting where we enjoy morning tea together.

Congratulations to the following children who joined me at Hot Chocolate Club in recent weeks.

Yasir - 5/6

Fraoli — Grade 4/5

Dwij & Ahmed J— Grade 2/3

Panhboth, Vova & Duniya— Prep/1

### Enrol Now for 2025

Although we are just approaching the middle of the year, we are already planning for next year! Children who turn five years old before April 30th 2025 are able to be enrolled to start school next year. Thank you to those families who have already filled out enrolment forms. If you are yet to do so, but have a child the right age to start prep next year, please come to the office before the end of the term to get an enrolment form.

As we head into the final few weeks of term, I want to take this opportunity to thank all of our students for a great first semester of learning. Reports will go home next week. Student led conferences, where your children will share their semester two goals with you, are planned for early next term.

Warm regards,

Some of our prep students have been “busy bees” lately and produced some great art works.
