game 2.45pm

Wednesday August 28th

Lyneham High School (ACT)
Band incursion—2.15

Tuesday Sept 10th

School Council 3.30pm

Friday Sept 20th

Last day of Term three

We acknowledge Traditional Owners of Country and recognise their continuing connection to land, waters & community and pay our respects to Elders past, present and emerging.

Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

Parent and Guardian Opinion Survey

Every year, the Department of Education asks families for feedback about their children's school. This survey provides schools with important information as we work to continually review and improve our practices. The more families who complete this survey, the more reliable and comprehensive the feedback is to schools. The survey opens this week and will be available to families for a month. It is confidential. It can be accessed online, on computers, smartphones or tablets and takes about fifteen minutes to complete. Survey translations will be available in many community languages. Once the survey becomes "live" we will notify you through Seesaw of how you can access it.

Enrol Now for 2025

As I mentioned in the last newsletter, we are now taking enrolments for next year. Children who turn five years old before April 30th 2025 are able to be enrolled to start school next year. Plans are being made now for our *Leap into Learning*, school readiness program. This will start later in term three and run into term four. The *Leap into Learning* program gives incoming preps an extended opportunity to get familiar with school staff and routines and supports them to have a happy and successful transition to school. I will provide more information in future newsletters. To be eligible to attend *Leap into Learning*, families must have completed an enrolment form for 2025. This can be done online through the link on our website, or you can come to the office to obtain a hard copy.

Hot Chocolate Club

Hot Chocolate Club happens at lunchtime every Friday. Students are chosen by their teachers for doing great work in class and they are given the opportunity of sharing their learning with me in an informal setting where we enjoy morning tea together.

Congratulations to the following children who joined me at Hot Chocolate Club in recent weeks.

Milky & Haysem — Grade 4/5

Safia & Iklas — Grade 2/3

Abdirihim & Samira - Prep

Student Led Conferences

Today your children will bring home a form with the time for your family meeting with teachers next Wednesday, July 31st. I think these are just about the most important meetings that we have all year. That's because it's an opportunity for your child or children to share their learning progress and goals with you. If you haven't received your meeting time, please contact the school. We are really keen to see **all students with their families** at these meetings. I'm sure you will appreciate that in organising the meeting timetable we've had to take into account siblings and interpreters, so please only ask for time changes if there is a really important reason. Every family that comes to the meetings will have a raffle ticket with their name on it put into a box and at an upcoming assembly we will pull out two raffle tickets and those families will receive a prize.

Warm regards,

Julie Large
