Carlton's Got Talent Time—
12.30

Monday Oct 7th

First day of Term four

We acknowledge Traditional Owners of Country and recognise their continuing connection to land, waters & community and pay our respects to Elders past, present and emerging.

Supervision

Families are reminded that teachers are on duty before school from 8.45-9.00am and after school from 3.15 until 3.30pm. Children should not be unattended in the school grounds before or after these times.

Parent/Carer Opinion Survey

Thankyou to those parents and carers who have already completed this survey. We really appreciate you taking time in your busy day to do it. Currently just over 10% of families have completed the survey. The survey is open until Friday September 8th for those families still interested in offering feedback.

As explained in the information sent home at the beginning of the state-wide survey period, it is offered annually to families in all schools by the Department of Education. It provides important information to schools and all responses to the survey are confidential. It is accessed online, on computers, laptops, tablets or smartphones and takes about fifteen minutes to complete. Survey translations are available in a range of languages other than English. These include: Arabic, Turkish, Hindi, Vietnamese, Mandarin, Japanese, Somali and Punjabi

If you would like more information about the survey or support in accessing it, please come to the office.

Carlton's Got Talent

Students, teachers and families are starting to get very excited about our annual **Carlton's Got Talent** performance! We have all been really impressed by how much time and effort students have put into preparing their performances. The show will be held at school on level one, on **Friday September 20th at 12:30pm**. We hope to see lots of families coming along, cheering and supporting the very talented and brave performers!

Leap into Learning

Our prep readiness program, *Leap into Learning*, will start next month for all children enrolled into Prep for 2025. The program gives an opportunity for children to participate in school routines and to become familiar with our school setting. It will run weekly on Fridays from 9am-10.00 in our developmental play space. The program will start on September 6th and will run on Sept 13th, October 11th, 18th, 25th & November 1st. Six sessions in total. If you have a child starting school next year but haven't yet enrolled them, please come to the office this week.

Book Week

We love our connections with Gowrie Early Learning Centre! As an integrated facility, ELC children use school spaces regularly as part of their program. They experience bush kinder outside in our grounds, as well as using our library and attending special events at school.

Over this week our children have been celebrating Book Week by visiting the ELC and sharing their own published books with the younger children.

Warm regards,

Julie Large
Co Principal
